Satan is openly attacking our Christian marriages, and we need to pray openly and publicly against these attacks. Please pray that pride and arrogance will be replaced with humility and kindness. Please pray for the marriages of this congregation that are in turmoil and struggling. Help us support one another and to guide and love one another and to speak the truth where necessary. God is a God of restoration and only he can restore these marriages to where they need to be, please pray he restores these marriages and that God becomes the center once again. Let us all work to model the marriage relationship depicted in Ephesians 5.

Annual Building Clean-up Day

Our University Spring Cleaning Day is fast approaching on Saturday, April 28th. **WE NEED YOUR HELP!** There are a number of jobs that need to be done outside the building. These are listed on a poster on the bulletin board in the foyer. You may sign up there for the jobs you are willing to help with. There is also a poster listing the inside cleaning that needs to be done. You may also sign up on the poster to help with the cleaning. We really need one of the ladies to sign up to organize the lunch, and a number of people to help with food. Even if you can't be here on the 28th, perhaps you could help with food for the lunch. Rick Wheeler will be in the foyer by the posters after worship time to answer any of your questions.
