

Prayer Requests 7/8/18

Anita Corrigan asks for prayers for **Kayleen Murphy**, who fell in a rock climbing trip in Big Timber, MT. She was flown to Billings, MT. They had to amputate her right arm and leg. Please pray for full healing and a powerful testimony.

Krystal Fox is requesting continued prayers for **Patrick Fox**. Patrick is still job searching. He had an interview last Sunday. Please pray that it went well. Please pray he finds something soon.

Please keep our Christian family at **Eastside Church of Christ** in your prayers as they go through the recovery process of rebuilding after the fire that destroyed their church building. Please pray that the recovery goes smoothly and that they can quickly get back into a building. Geoff Henry who was our summer intern with our youth two years ago is the current youth minister there. This church is located in Kermit, TX.

Joan McKnight requests prayers for **Donna Hart**, who fell and injured the arm used for dialysis treatment. She spent one week in the hospital and two weeks in rehab. She is better now but do keep her in your prayers. Sending cards would also be good.

Please pray for **Cindy Bennett** whose cancer has returned.

Thank You

What a great day we had last Sunday with our church family for our picnic at the park! Thanks to all of you that were able to come out and join us and helped provide food. A big thank you goes out to Josh & Laurajane Raymond, Josh & Shiloh Jones, Bob, Kate, Emma & Avery Henson, Blaine Carpenter, John Priest, David Stephens, Kevin & Colton Gates, John Wheeler & Jason Cameron for helping get everything over to the park, setting it up, cooking the food, and helping clean up and get it all back to the building! We can't do activities like this without the help of volunteers like that, so THANK YOU!

UYG M&M Fundraiser

The UYG is selling tubes of M&M minis as a fundraiser for their upcoming "As We Go" Mission Trip. They sold out last week, but will have more today! You can buy a tube for \$1 and then after you eat the M&M's, you can fill up your empty tube with quarters and bring it back to the church building to turn them in to one of the Mission Team members. That gives us \$10 per tube. But rolled up \$20 bills & checks also fit if you'd like to put something else in them! Involve your kids and help them understand what it means to help out with the Mission Trip!

Please plan to have your tubes turned in by Sunday, July 15th.

Mission Team to Honduras 2018

This year 12 members from University (Kevin and Connie Monsees, Iain and Denise Wightman, Mike and Joy Stevens, Jerry and Sheila Selby, Andrea Cosens, Susan Wylie, Becky Little, and Elise Nowicki) will be joining 12 members from Grand Junction church of Christ to form the team going to Honduras for the Mission Trip. We leave July 13th and return on July 21st. Please keep us in your prayers as we travel on planes and buses to and from Honduras. Also pray for us as we strive to encourage our Christian brothers and sisters we meet in Honduras and for those we come in contact with on the medical brigade to show them Christ through our actions and Spanish (which is clumsy and funny at times). Thank you so much for your generous donations thus far. You have overwhelmed us with your generosity.

We are still in need of 8500 Multi-vitamin tablets, 938 antacid tablets, and 1230 Ibuprofen tablets.
